Wear a white flower—emblem of purity and fidelity—on Mothers' day, tomorrow. If possible send one to others as a message of sympathy or brotherhood. Remember the sick or unfortunate in hospitals, homes or prisons, and those who labor on this May Sabbath for your comfort. While any white flower may be worn, the white carnation is the Mothers' day special flower. Its whiteness stands for purity; its form, beauty; its wide field of growth, charity; its lasting qualities, faithfulness—all a true mother's attributes.

A Trained Nurse Uses and Endorses

MISS KATIE GREINER

Miss Greiner, a well-known trained nurse of Philadelphia, who has a large practice, is loud in her praise of what Duffy's Pure Malt Whiskey has done for her patients and herself. When very weak it built her up and greatly increased her weight. She strongly recommends it to all in need of a tonic and strength builder.

"As a trained nurse, I have often had cases where the attending doctor prescribed Duffy's Pure Malt Whiskey when a tonic was needed, and the results were uniformly satisfactory. I was sick from 1900 to 1904, was very weak and to the milk diet, ordered by the doctors, I added a little Duffy's Pure Malt Whiskey, which helped me wonderfully. From May to August I gained 8½ lbs. A teaspoonful in the morning gave me a good appetite, and when I had a bilious attack could retain it when nothing else would remain on my stomach. It has also benefited me when I had the grippe. I prefer it to any other on account of its purity and quality.

"When I was taken sick I weighed 155 lbs. I went down to 110½ lbs., and now weigh 152½ lbs., due, I fully believe, to the use of Duffy's Pure Malt Whiskey.

"I assisted nursing the son of a friend who was very ill and weak, and had tried many remedies and doctors without relief. At first, as the family are strong temperance people, they objected to using liquor, until they saw how Duffy's Pure Malt Whiskey gave strength and vigor to the patient. It was given in milk and alternated with clam juice. He is making rapid strides toward recovery. I will be glad to let you know from time to time the progress of this case.

"I shall use Duffy's Pure Malt Whiskey whenever a tonic-stimulant is needed. I can recommend it to the young and the old."—Miss Katie Greiner, graduate nurse, 3347 Market St., W. Philadelphia, Pa.
